School Development Plan 2026-2027

Headlines

Improve outcomes through embedding a consistent approach to teaching foundational skills (early reading, oracy and mathematical fluency) so that all pupils meet or exceed expectations.

Improve outcomes in writing across the school for all children by building on the teaching of foundational skills and the discrete teaching of writing.

Implement the Inclusion Strategy to support our pupils with SEN and develop our Inclusion Hub to support the needs of all children and close the gap in progress between vulnerable groups.

Ensure that pupils are able to fully access a personalised curriculum plan to maximise learning opportunities where there are significant behavioural needs.

Enrich teaching pedagogy to support the six core purposes of teaching and learning through bespoke CPD for all teachers.
